The NH-1800 CE offers exceptional value with the power of a Microsoft® Windows® CE platform. Featuring a new topper design, it is also an attractive addition to any retail setting.

Features

Maximum Reliability
The 1800 CE is designed to provide industry leading quality and reliability with highest uptime rates. The 1800 CE is designed to require minimum maintenance and all Nautilus Hyosung ATMs are known for reliability and have a proven track record in the U.S. market.

Quick Pick Lotto Software Ready
The 1800 CE is capable of being loaded with Linq 3's proprietary Quick Pick Lotto software. Quick Pick Lotto capability can be upgraded to existing CE models already installed, or added to new ATMs you order.

Capacity up to 4,000 Notes
A variety of cash-dispensing configurations are available with a capacity of up to 4,000 notes. The 1800 CE is available with a 1,000 note removable cassette or optional 2,000 note removable cassette, upgradable to 2 cassettes.

Secure Communications
The 1800 CE comes with TCP/IP (SSL configurable) communication capability to support high-volume locations.
